

J. JEFFREY GUNN

Mr. Gunn joined TraskBritt as a law clerk in 2003 and became a shareholder in 2010. He is a graduate of the S.J. Quinney College of Law at the University of Utah and also holds a B.S. in Materials Science and Engineering from the University of Utah. Prior to working at TraskBritt, Mr. Gunn worked for Bard Access Systems as an engineer technician, qualifying and validating manufacturing equipment, manufacturing processes, and new product designs. Mr. Gunn also conducted research relating to surface chemistry modification of implantable materials used in medical devices.

Technical Expertise

Medical Devices and Equipment

Semiconductor Device Fabrication and Packaging

Chemical Analysis Including Infrared, Raman, and X-Ray Photoemission Spectroscopy

High Tech Ceramic Materials and Devices

Polymer Materials and Polymer Processing Techniques

Nanotechnology

Prior Professional Experience

Engineer Technician, Bard Access Systems

Education

University of Utah, B.S. in Materials Science and Engineering

University of Utah, Juris Doctor

Bar Admissions

U.S. Patent & Trademark Office

Utah Bar

Community and Professional Organizations

Member, Tau Beta Pi, National Engineering Honor Society
