

## **JEFFERY M. MICHELSEN**

---

Mr. Michelsen joined TraskBritt as a student associate and became a shareholder with the firm in 2009. Mr. Michelsen brings industry experience to TraskBritt in the areas of electrical and mechanical engineering. Prior to joining TraskBritt, Mr. Michelsen worked for Motorola, VSLI, and Intel as a Design Engineer and Manager, specializing in circuit design, computer architecture, computer graphics, image processing, and software development. He also worked as a Mechanical Engineer for Boeing performing fuselage stress analysis and developing signal processing software. Additionally, he holds nine patents as an inventor in the areas of computer graphics, computer systems, and integrated circuit design.

### **Technology Areas**

Electrical & Electronics  
Internet & E-commerce  
Mechanical & Aerospace  
Optical Technology  
Computers, Software, & Information  
Technology  
Nanotechnology

### **Areas of Practice**

Patent Prosecution  
International  
Business Counseling & Strategic Planning  
Transactional & Licensing

### **Special Expertise**

Technology evaluation and invention identification  
Product clearance opinions

### **Technical Expertise**

Semiconductor device design and fabrication  
Integrated circuit design processes  
Computer graphics and image processing  
Computer architecture and microprocessor design  
Security and encryption  
Software

### **Prior Professional Experience**

System Architect, Cirrus Logic Inc.  
Design Engineer and Project Leader, Intel  
Design Engineer and Program Manager, VLSI Technology  
Design Engineer, Motorola Inc.  
Mechanical Engineer, Boeing Co.

### **Education**

Arizona State University College of Law, J.D.  
Utah State University, M.E. Electrical Engineering  
University of Utah, B.S. Mechanical Engineering

### **Bar Admissions**

U.S. Patent and Trademark Office  
Utah Bar

### **Court Admissions**

Supreme Court of Utah  
U.S. District Court for the District of Utah

### **Community and Professional Organizations**

Institute of Electrical and Electronics Engineers (IEEE)  
American Bar Association (ABA)
