

Samuel W. Riebe

Attorney

Phone: 800.900.2001 801.994.8782

Email: swriebe@traskbritt.com

Samuel received his J.D. from Case Western Reserve University School of Law. During law school, he received the CALI Award for the highest grade in trademark law and served as an editor for the Health Matrix: Journal of Law-Medicine.

Samuel holds a Bachelor of Science in Mechanical Engineering from Colorado State University. After graduating from Colorado State University, he worked for Halliburton as a Measurement-and-Logging-While-Drilling (MWD/LWD) Field Engineer where he provided directional services to oil and gas customers. He also worked for The Timken Company as a Service Engineer where he provided technical support to industrial bearing and power transmission customers. Samuel brings industry experience to TraskBritt in manufacturing and sub-surface technologies.
